OFFICE POLICIES

Welcome:

To help you get acquainted with our office, we have prepared a few words about our policies. If you have any questions or suggestions, please feel free to discuss these with us at any time. Please read and sign each form; this indicates to us that you have read and understand our guidelines.

Your Appointment:

Appointments can be made either online or by phone. Every effort is made to examine newborn infants as soon as possible after birth. Special priority is also given to those with acute injuries or medical conditions and pregnant or post-partum women. Your appointment is time set aside for you to see your doctor. Note that we have a two business day or 48 hour cancellation policy. If you cancel an appointment less than 48 hours prior to its scheduled time, you will be billed *one-half* the visit fee. Appointments may be cancelled online or by phone (please see our online instruction form). A message may be left on our voicemail at any time. The earlier you can inform us of a change in your plans, the sooner we can give your appointment to someone else in need.

Fragrances:

Some of our patients are allergic to environmental pollutants, such as perfumes and hair sprays; we would appreciate it if you refrain from wearing these to our office.

Cell phones:

We make every effort to cultivate a tranquil, healing environment for our patients. Please refrain from using cell phones in the building and silence any ringers and alarms. Emergent calls can be taken outside the building. We appreciate your understanding.

Fees & Payment:

We require payment for services at the time they are provided. We supply a standard itemized receipt, also known as a "superbill", which you may submit to your insurance company in case you qualify for reimbursement. Dr. Hering is not a contracted provider with Medicare, therefore Medicare beneficiaries are not allowed to submit claims to Medicare for reimbursement. If you have Medicare, please read and sign our Medicare Beneficiary Agreement.

In the case of minors, the parent or guardian who accompanies the minor is responsible for payment, even if the parents are separated or divorced and the person responsible for paying medical bills is not present at the time of the visit. If your check is returned from the bank, we will charge a \$30.00 "return check" fee. For patients requesting photocopies of their medical records, a \$25 copying fee applies.

Children:

Children must be supervised by their caretaker. For their own safety, please do not allow children to roam about in other rooms or to touch electrical objects.

Thank you for taking the time to read this policy sheet. If you have any questions about this policy, please ask them now. We understand that you have come here to seek specialized treatment and we will endeavor to assist you in a speedy recovery; however, we cannot guarantee any specific result.

I have read and understand the above policy and agree to it.

OFFICE PATIENT PRIVACY POLICY

In order to protect sensitive personal and medical information, we have instituted a number of measures aimed at maintaining your privacy. The National Institutes of Health have newly developed the *Health Insurance Portability and Accountability Act* (HIPAA), which requires that every medical provider makes a privacy policy available to their patients. This effort is set in place to maintain privacy of patient information in an era of high technology and data-laden medical systems. The following is the policy for patients of this office regarding patient privacy and confidentiality of information collected and stored in this office:

1. For payments and scheduling, Yvonne Kanis (our office manager), will assist you.
2. An information sheet with demographic data, insurance information, consent for treatment and medical disclosure will be completed by every patient as part of her/his record. A copy of this sheet will be available to our office manager for billing purposes.
3. All superbills for office visits will be shared with the office manager in order to process insurance claims and record business transactions for tax purposes.
4. Any paper trash with patient information will be shredded prior to discarding it.
5. Employees and staff are required to sign a confidentiality agreement regarding any information they are exposed to in the office setting, which is not to be discussed or revealed to any person(s)/business(es) outside of the office setting without prior written consent by the patient/legal guardian.
6. Medical release forms are required to be signed by the individual or parent/guardian in order to release any medical information to themselves, medical offices, insurance companies, or to any other desired location. A copying charge may apply for extensive record copying.
7. All medical related conversations will occur in private.
8. All papers related to patient care will be stored in locked cabinets when not in use, where only authorized medical and administrative staff has access to them.
9. Any breach of confidentiality must be submitted in writing to Carmen Hering D.O. for proper action to be taken to amend the situation and/or policy.
